NetBotz aligns with St. Louis company

Austin-based [NetBotz Inc.](#) has formed an alliance with St. Louis-based distributor [World Wide Technologies Inc.](#), the company announced Tuesday.

Under terms of the agreement, World Wide Technologies will distribute the full NetBotz line to organizations that resell NetBotz products. NetBotz provides information technology security systems.

World Wide Technologies also is a supply chain partner for such companies as Round Rock, Texas-based Dell Computer Corp. [Nasdaq: DELL] and Armonk, N.Y.-based IBM Corp. [NYSE: IBM].

NetBotz also announced Tuesday that it has enhanced its channel partner program by offering a global accreditation program. The program will recognize NetBotz partners that have made significant investments in sales and technical training, as well as investments in demonstration and
