- Automatically adapts to any lighting environment
- 13.3" touchscreen lets you control everything with a fingertip just as you would on your phone

Productivity with precision

Unleash your creativity by adding an S Pen

- Compatible S Pen (sold separately) lets you draw, sketch, annotate and capture notes on the fly
- Convert notes to text in a flash with the Samsung Notes app
- Feels like a real pen, both in your hands and on the screen¹

Video chat in high definition

- Look and sound your best during online meetings
- HD camera is exceptionally crisp and clear
- Dolby Atmos sound and intelligent noise cancelling for clearer video calls
- Auto Framing keeps you front and center on video presentations

Up to 18 hours of power, plus Fast Charging

- Work up to 18 hours² on a single charge
- Universal fast charger included
- Get a 40% charge in just 30 minutes
- Universal charger works with all your Galaxy devices

Do more, and do it more securely

Unite your Galaxy

- Galaxy devices sync wirelessly with each other to help you do more
- Interconnected network lets you easily access and transfer info from one device to another
- Access or transfer a file, photo or text on any device
- Start a video or voice call on one device, continue it on another
- Extend your workspace by using a phone or tablet as a second screen

Security that's all about your business

- Fingertip scanner lets you unlock your laptop with the tap of a finger
- Private Share³ lets you set time limits on access to shared files, with the ability to revoke file access at any time
- Helps protect data with advanced protection of firmware and dynamic root of trust measurement
