

How to Find a Network Provider: Cigna

Seeking services from in-network providers is the best way to maximize your health plan benefits. Access information regarding Network Providers in your area using the instructions below or by contacting Customer Service at the number on your health plan ID card.

- 1 Go to www.AskAllegiance.com and click on **Find Provider**.
- 2 Enter your **Participant ID Number** or **Social Security Number**, then click **Search**.
If you do not yet have a Participant ID Number, type the word **'search'** into the ID Number box, then click the **Search** button.
- 3 Read the **Disclaimer**, then check the box next to **Accept**.
- 4 Click on the **Cigna** section to continue.
- 5 You will be redirected to the Cigna Provider Directory. Here you can search for a **Doctor by Type**, **Doctor by Name**, or **Health Facilities and Group Practices** within any city entered into the search bar.
Enter the specific information you are searching for or choose from the pre-populated options in the drop down menu. Click **Search**.
You will be prompted to either log into your Cigna account, create a Cigna account, or to continue your search as a guest.
- 6 If you continue as a guest, you will be asked to select your **plan type**. Your plan type can be found on your health plan ID card, or you can choose to **Continue without a plan**. Your selection will take you to a list of in-network providers in your area.

1 Find a Provider

2 Enter Participant ID

3 Disclaimer:

This search tool is designed to help you locate participating providers, hospitals, and other facilities. We make every effort to ensure the information is accurate and complete; however, the network listing of participating providers is subject to change without notice. Before receiving services, please verify with the provider that they are still a participating provider in the selected PPO network.

4 CIGNA

The Cigna logo is required in order to access this network. Cigna provides a large national proprietary network with deep discounts and excellent provider access with over 4,200 facilities and 540,000 physicians in 49 states. Cigna has 26 network offices throughout the country responsible for provider contracting and credentials, provider relations and continuous re-contracting initiatives to improve network discounts. If you are a Montana member, the Cigna national network is only available for services outside of Montana. Please return to the main provider search page to find a provider in Montana.
