

HEALTH & **WELL BEING**

How do you Benefit?

wwtwellness

Wellness Initiatives 2020

WWT will continue to provide employees with an annual wellness screening on site or with their own primary care physician. There will be incentives if you complete a screening during the designated time period.

We will also encourage employees to get a flu shot annually and make them as accessible as possible.

WWT Wellness will have monthly health topics along with notes from the doctor at the WWT Family Health Center.

We are continuing to discuss and provide resources around mental health.

WWT is committed to participating in community wellness events, blood drives, fitness challenges and more.

Stayed tuned for all to come in 2020 and join our [WWT Wellness Facebook Group](#) to keep up to date on what's happening!
