DIVERSITY & INCLUSION

A CULTURE OF INNOVATION, INCLUSION & INSPIRATION
OUR CULTURE & CORE VALUES

WWT is proud of our award-winning culture and core values; they shape who we are as a company, as employees and as community members. Based on a strong commitment to diversity and inclusion, these principles drive innovation, advancement and change—they elevate our work to the next level of excellence. They also help shape and realize several critical WWT programs and distinctions:

- **WWT’s Diversity & Inclusion (D&I) Program**: We are committed to continuous investment in a culture of inclusion that drives shared value across our people, business and community.

- **WWT’s Corporate Social Responsibility (CSR) Program**: Through our CSR, we seek to advance our mission of being a profitable growth company that is also a great place to work for all by drawing on our core values and culture to positively impact our people, customers, partners and global environment.

- **WWT Charitable and Community Outreach Program**: WWT invests and strengthens our global community by supporting youth education and career preparation, arts and cultural opportunities, health and human services, and the abolition of social injustice. As part of this program, our team launched a $1 million Global Community Impact Program to support nonprofit organizations that help those affected by or researching a vaccine for COVID-19 or organizations that work to eradicate racism and social disparities or advocate educational equality.

- **Minority Business Enterprise (MBE) Certification**: WWT is certified by the National Minority Supplier Development Council (NMSDC) with an award-winning Supplier Diversity Program.

- **A Great Place to Work for All**: For the last nine years, WWT has earned a spot on Fortune’s “100 Best Companies to Work For” list due to our inclusive culture and commitment to all employees.

Our commitment to a diverse and inclusive corporate culture is critical to our ability to help our customers achieve their business objectives.

“By 2040, minorities will be the majority in the United States. For every company, it is a business imperative to attract and keep talent. This ability will prove pivotal for innovation and growth at WWT and other such firms over the next 20 years. In fact, WWT has forged long-term partnerships with diverse businesses and community organizations to facilitate the flow of proficient, idea-rich tech professionals and entrepreneurs.”

DIVERSITY PARTNERSHIPS AND PROGRAMS

WWT PARTNERS WITH VALUE ADDED DIVERSE ORGANIZATIONS, AND HAS CREATED PROGRAMS THAT FURTHER OUR MISSION OF DIVERSITY AND CORPORATE SOCIAL RESPONSIBILITY.

NATIONAL MINORITY SUPPLIER DEVELOPMENT COUNCIL (NMSDC)

The National Minority Supplier Development Council (NMSDC) advances business opportunities for certified minority business enterprises (MBE) and connects them to corporate members. It is one of the country’s leading corporate membership organizations. Whether a small or large minority owned business, NMSDC is committed to helping solve the growing need for supplier diversity. It does that by matching its more than 12,000 certified minority-owned businesses to its vast corporate membership who wish to purchase their products, services and solutions. Its corporate membership includes many of the largest public and privately-owned companies, as well healthcare companies, colleges and universities.

WWT AND NMSDC’S PARTNERSHIP

WWT works closely with the NMSDC and its affiliate regional councils across the country to help advance business opportunities for minority-owned business enterprises. In 1998, WWT became a Corporate Plus member of the NMSDC in recognition of our proven capacity to handle national contracts for major corporations. The Corporate Plus membership helps enable WWT’s ability to provide the resources, advocacy and opportunities for other minority-owned businesses, with a deep rooted understanding of what a minority-owned business needs to thrive. As a Corporate Plus member with this unique perspective, WWT is committed to supporting NMSDC and the value it offers other minority-owned businesses. Some of the ways we do this is by having our leadership serve on NMSDC and its affiliate regional council boards, offering business and technology related expertise and providing access to necessary resources that fulfills NMSDC’s mission to advance business opportunities for minority-owned businesses.

WWT is proud to be a multiple award-winning member of NMSDC for more than 24 years. More importantly, as a MBE committed to advancing economic inclusion and parity for other minority-owned businesses, we can create a multiplier effect of impact when we work in partnership with our fellow corporate members and MBEs in fulfillment of this vision.
SUPPLIER DIVERSITY

WWT’s Supplier Diversity Program is designed to help train and integrate qualified and certified minority, women and disabled veteran-owned suppliers into the provisioning of products and services for our commercial and telecommunications customers. It is designed to strengthen these businesses and provide knowledge sharing opportunities and support.
